## 1. Purpose

---

Central Goldfields Shire Council is committed to working in partnership with the community to encourage, develop and support community based organisations and the wide range of local quality recreational, cultural, social and community support and business group initiatives which they undertake that make a positive contribution to the Central Goldfields Shire community and strengthen the development of a supported, cohesive community, living a full and healthy life.

Each financial year, Council provides financial assistance to community based organisations to support the provision of programs and services which benefit the Central Goldfields Shire community and are in accordance with Council's plans and strategies.

The Community Support Policy provides a consistent, accountable and transparent process to determine the nature and level of support provided to the community through:

- Community Grants;
- In kind support; and
- Planning and Building fee waivers.

## 2. Scope

---

This Policy applies to all eligible community based organisations seeking support from Council.

This Policy does not apply to Section 86 Committees. Any support provided to Section 86 Committees is allocated through their Instruments of Delegation.

This Policy also applies to all statutory planning fees and charges and Council building application fees (but not the State Building levy) and can apply in these circumstances to all legal entities. This Policy is to be read in conjunction with the relevant legislation. State government regulations

within the Planning and Environment (Fees) Regulations 2016; the Subdivision (Fees) Regulations 2016 and the Building Regulations 2018 provide the power for a Responsible Authority (usually Council) to waive or rebate the payment of fees.

### 3. Community Based Organisation

---

Typically a community based organisation is an organisation that is a recognised not-for-profit group or organisation that carries out one or more of the following activities:

- Providing services to the community such as positive ageing, child care, health services, charity services or services of a similar type;
- Reinvests or applies the revenue it receives predominately for public interest services or activities;
- Principally provides social or junior sporting or recreational activities;
- Supports public events or information of an historical, cultural or community arts focus.

Typically a community based organisation would not include:

- A political organisation;
- A profit making organisation;
- Schools or tertiary institutions (excluding parents and friends groups);
- State or Federal government agencies and departments;
- Any organisation where more than 50% of its income is derived from any State or Federal government program.

### 4. Policy

---

All applications must be for projects that are:

- Based in the Central Goldfields Shire; and
- Benefit the Central Goldfields Shire community.

#### Community Grants

Community Grants provide financial support to projects and events that provide community benefit to the Shire. Grants from \$500 are available to a wide range of community based organisations to run projects and events. Individuals are not eligible to apply for Community Grants.

#### In Kind Support

In kind support is available to a wide range of community based organisations to run projects and events that provide benefit to the Shire. In kind support is when Council provides services to a group or organisation, rather than providing them with purely financial support. In kind support can include things like traffic management, waste management and event set up.

#### Fee Waivers

Circumstances can arise where it is appropriate and in the public interest for consideration to be given to waiving, reducing or refunding fees and charges associated with applications for planning

and building permits. Council can, upon application, consider a request to waive or reduce the statutory planning and/or building fee for the delivery of projects, activities or service that provides a community benefit and which align with Council's policies, strategies or activities.

Council can consider and agree to waiver, reduction or rebate of a statutory planning fee for an application to use or develop land which will result in resolving difficult planning application issues that may have a potential risk or liability for the Council.

Personal, commercial or family circumstances including financial hardship will not ordinarily be considered appropriate for application of this policy.

If an applicant withdraws an application for a permit before it is approved or refused, Council may refund the fees or charges it has received in accordance with this Policy if they have not already been expended for the relevant purpose.

Refunds may be applied to planning fees and charges as follows:

<ul style="list-style-type: none"> <li>It is determined that no planning permit is required</li> </ul>	100% fee refunded
<ul style="list-style-type: none"> <li>Application received, lodged, entered into the information management system and allocated to a Planner</li> </ul>	75% fee refunded
<ul style="list-style-type: none"> <li>Application received, lodged, entered into the information management system and allocated to a Planner; and</li> <li>Application initially assessed and referrals to authorities or internal departments commenced, additional information received</li> </ul>	50% fee refunded
<ul style="list-style-type: none"> <li>Application received, lodged, entered into the information management system and allocated to a Planner; and</li> <li>Application initially assessed and referrals to authorities or internal departments commenced, additional information received; and</li> <li>Further assessment undertaken</li> </ul>	25% fee refunded

Where an application has progressed to the final stages of a decision no refund will be given.

No refunds will be provided if an application is lapsed and fees will not be waived for subsequent applications.

Excluded fees, charges and levies means any other prescribed fees, charges or levies that Council is required to collect by legislation on behalf of the State Government or another government entity, e.g. building permits.
